| | MEAL COUNT/ATTENDANCE RECORDS Each provider must collect and maintain daily attendance records and the number of meals, by type, and full names of enrolled participants. Problems were identified as follows: Meal counts were not recorded for all enrolled children within the required timeline. Daily Attendance was not recorded in the appropriate column on the meal count record. Therefore, meals cannot be claimed for reimbursement for the day(s)/week(s) of Meal counts were not available Meal count records available did not support the number of meals claimed for reimbursement Children were recorded as absent on the attendance record, but your meal count record showed that meals were claimed for that day. Your home overclaimed: breakfasts, lunches, supplements, dinners. Therefore, reimbursement was higher than you were entitled to receive. Refer to page for details. | CORRECTIVE ACTION REQUIRED: Submit to your sponsoring organization, a written corrective action plan explaining the procedure you will use to ensure meal counts are properly recorded and maintained. | | | |
